About This Game

Empires:The Rise brings the classical Real-Time Strategy (R.T.S.) feeling to mobile devices.

With adapted and intuitive control, action per minute (A.P.M.) is no longer an issue. Given a smart, built-in unit AI, you are able to command several massive armies with ease.

During intensive 5-20 minutes matches, Resource gathering, base management, unit tactics and strategic battles will decide who stays on the battlefield.

Choose your nation and conquer those, who stand in your way!

There's a ranked solo (1v1) match.

For custom rooms, you can create 2v2 to invite friends or fill with AI.

For activity events,

4 People FFA: Mon, Wed, Fri, Sun

3v3: Tue, Thu, Sat
